Attention Program Director - Updated Programs for 2019

Michigan Rediscovered – A rollicking road trip across Michigan to more than a dozen destinations most folks have missed. Discover the underground rathskeller in the Irish Hills, the gravity mystery in Frankfort, the Monarch Butterfly Migration, Lady Godiva in Michigan and more. This is an updated version of the original Road Trip Program. It is still one of the most popular.

Oddities & Rarities – We journey across the state to visit small towns that hide unique objects and mysteries. Learn about the unexplained artifact in Ontonagon from the old Superior Mine, the ancient artifact in Nahma, the Tomb of the Cow, the Sanilac Petroglyphs and more. A very popular program with an emphasis on forgotten Michigan history.

Nature Getaways – This program takes the traveler to some of the most overlooked nature areas in Michigan. Each has easy trails is accessible to anyone and is usually under 1 mile long, you don't have to be a mountain climber to enjoy these. Local attractions are discussed near each nature area so each can make for a great day trips.

Color Tours – We visit several regions where autumn colors are nothing short of spectacular. Destinations include places to drive, places to walk, and places to just sit and drink it all in! From the Keweenaw Peninsula to the forest primeval in southern Michigan, the color explodes every autumn.

Best Kept Secrets – New for 2019 – Another collection of road trips across the entire state of Michigan. These destinations are found out on the back roads and in urban settings. This program draws content from my new book "Best Kept Secrets – Michigan Back Roads" due for publication in summer 2019.

Programs are designed to entertain audiences of all ages.

Enjoy entertaining and educational presentations about the back roads of Michigan. Each slide show presentation describes road trips to unique destinations including historic sites, natural wonders and unusual places. Presentations run about 40 - 50 minutes and are designed for a wide range of

interests. Additional time is planned for questions, answers and book signing. Cost of each is \$200.00 and I ask to offer my books for sale at the end of the presentation, autographs included.

Programs are customized for each audience. Shorter programs are available.
